Sermon notes

A WEEKLY RESOURCE FOR AIDING THE APPLICATION OF THIS SUNDAY'S SERMON AT REDEEMER TO YOUR LIFE.

APPLICATION QUESTIONS

1. How would you advise a believer who feels like they are being punished by God for their sin?
2. How have you seen the Lord bring discipline, character building or faith building through suffering?
3. Why is the object of your hope the key to biblical hope?
4. How is your perspective on suffering changed as you consider that Jesus was a man of sorrows (Is. 53:3)?

For private reflection- 3 Questions from James M. Boice:

1. Have I sinned or gotten off the track of obedience to what I know I should be doing, and is this setback God's way of getting me back on track and into fellowship with him? **Discipline**
2. Is God using this to trim off some rough edges of my personality and develop a more Christ-like character in me? **Character Building**
3. Is God using my suffering as a stage upon which his name and wisdom may be glorified? Is it a place for me to show that I love him for who he is, entirely apart from whatever material and physical benefits he may have given me? **Faith Building**
