Know What is True

March 8, 2015

2 Corinthians 11:1-6

Pastor Tony Felich

2 Corinthians 11:1 I wish you would bear with me in a little foolishness. Do bear with me! [2] For I feel a divine jealousy for you, since I betrothed you to one husband, to present you as a pure virgin to Christ. [3] But I am afraid that as the serpent deceived Eve by his cunning, your thoughts will be led astray from a sincere and pure devotion to Christ. [4] For if someone comes and proclaims another Jesus than the one we proclaimed, or if you receive a different spirit from the one you received, or if you accept a different gospel from the one you accepted, you put up with it readily enough. [5] Indeed, I consider that I am not in the least inferior to these super-apostles. [6] Even if I am unskilled in speaking, I am not so in knowledge; indeed, in every way we have made this plain to you in all things.

Application Questions

1) What types of things or what beliefs are we susceptible to being led astray by and why?

2) How can we practically guard ourselves from wrong thinking and counter it with sound thinking?

3) How do we practice intolerance for false teaching in a radically tolerant society?

Sermon Outline

Necessary for spiritual stability:

- Humility about our discernment (1-3)
- Honesty about the power of wrong thinking (3)
- Intolerance for false teaching (by knowing Truth) (4-6)
