1. Do you believe God's Word has power for your life today? How does this change the way you look at the challenges and problems in your life?
2. How are our priorities revealed in the time we pursue God in Scripture? How can this stir you up rather than beat you down?
3. Give an example from your life of one of the uses of God's Word. Either used on you or by you.
4. How can you approach the Bible so you aren't bored, but hungry?
