SERMON OUTLINE

He is Jealous for our Worship
October 13, 2013

1 Corinthians 10:14-22
Pastor Tony Felich

1 Corinthians 10:14-22 Therefore, my beloved, flee from idolatry. [15] I speak as to sensible people; judge for yourselves what I say. [16] The cup of blessing that we bless, is it not a participation in the blood of Christ? The bread that we break, is it not a participation in the body of Christ? [17] Because there is one bread, we who are many are one body, for we all partake of the one bread. [18] Consider the people of Israel: are not those who eat the sacrifices participants in the altar? [19] What do I imply then? That food offered to idols is anything, or that an idol is anything? [20] No, I imply that what pagans sacrifice they offer to demons and not to God. I do not want you to be participants with demons. [21] You cannot drink the cup of the Lord and the cup of demons. You cannot partake of the table of the Lord and the table of demons. [22] Shall we provoke the Lord to jealousy? Are we stronger than he?
