A WEEKLY RESOURCE FOR AIDING THE APPLICATION OF THIS  
SUNDAY'S SERMON AT REDEEMER TO YOUR LIFE.

## APPLICATION QUESTIONS

Dr. Chapell Quoted Dawson Trotman founder of the Navigators who said *“The need of the hour is to believe that God is God, that he is faithful to His purposes and he will accomplish them through us if we will but trust Him”*

1. How can our “obstacles” give us “options” in our mind for doing God’s will? How have you been tempted to go back or stay put instead of face the future?
2. How have you used circumstances in your life as a barometer to measure God’s love?
3. The giants of hurt, profit, and loneliness are difficult to get past, and can keep us from getting to forgiveness integrity and purity. What giants do you need to get past by God’s grace?
4. How have you seen the hand of God in the midst of an obstacle you’ve faced recently?

## *Redeemer Happenings*

Did you know that the Baker and Meyers home fellowship groups are teaming up to collect “Socks in September” as a service project to benefit TLC For Children and Families? What community service opportunities could your group get involved in? Don’t wait for your leader to organize it, why not plan something you could run and present it to your leader today?
