Sermon Application Questions

1. In what specific ways have you experienced God's mercies in your life? How might reflecting on these mercies more intentionally change your daily response to God?

2. The sermon emphasized that what has been transformed on the inside should be expressed on the outside. How are you using your physical body (eyes, ears, mouth, hands, feet) to demonstrate your inward transformation? Where do you see room for growth?

3. Pastor Vogler suggested that true gratitude for a gift is shown by using it. How are you "using" the gift of salvation in a way that demonstrates genuine thankfulness?

4. Like the one leper who returned to thank Jesus, what specific act of gratitude could you express to God this week that goes beyond routine worship? How might you intentionally "return" to acknowledge what God has done for you?
